

FET License Application-2024

GENERAL INSTRUCTIONS

Anyone who carries, distributes, refines, or retails fuel within the Navajo Nation shall submit an application for a Fuel Excise Tax License. A license shall be obtained prior to engaging in the activity for which the license is requested. Each separate retail facility shall have a separate license. A carrier may obtain one license that will cover all the vehicles owned by the licensee and drivers employed by the licensee, but the licensee shall provide appropriate information about each separate vehicle and driver. *Licenses are non-transferable.*

A separate application shall be submitted for each license requested. Thus, a company desiring to be licensed as both a distributor and a carrier shall submit two separate applications, two application fees, and the requested supporting documents.

The application shall be completed in its entirety. **For pages 1-3, if a line item is not applicable, indicate “N/A.” Incomplete applications will be denied.**

Please **mail or hand-carry** the completed application and supporting documents before **November 10, 2023 at 5:00 p.m.**, along with the appropriate fee(s) and attachments to:
